

Entry requirements

In order to study at the Salzburg University of Applied Sciences you have to fulfill the admission requirements for studying at an Austrian university of applied sciences. For any bachelor programs, this requires an Austrian secondary school leaving certificate or any equivalent. For any master programs, this requires an Austrian bachelor certificate or any equivalent. In case that you have not yet completed your secondary schooling or bachelor programs by that date, you may submit instead written confirmation from your school / university when you are expected to take this final exam. Most of our study programs are in taught in German language of instruction, but there a some in English too. Proof of proper language skills is needed (level B1-C1, depending on study programs). Detailed information for international applicants can be found on our website: <https://www.fh-salzburg.ac.at/en/prospective-students/about-to-start-studying/international-applicants>

Application Procedure

Admission procedure differs for each study programs, but always start with the online application. For all our study programs you can apply online starting with 1st of November for intake in winter semester 2023/24). Deadlines differs for every study program. Depending on the study programs there will be written tests, personal interviews, group assessments, creative projects, occupational aptitude and further more. You can find detailed information concerning application process on our website. [Online Application | FH Salzburg \(fh-salzburg.ac.at\)](https://www.fh-salzburg.ac.at/en/prospective-students/about-to-start-studying/international-applicants)

Save the Dates

Open House 17th and 18th of March 2023: <https://www.fh-salzburg.ac.at/en/prospective-students/before-studying/open-house>
